Workshop for Parents & Carers

Emotionally Based School Avoidance

Initial Steps to Support Your Child's Attendance

Reflect on common reasons for school avoidance and associated challenges

Consider factors which contribute to school avoidance becoming a vicious cycle

Learn practical strategies to help you explore the issue with your child

Consider ways to encourage and facilitate regular attendance

The workshop is facilitated by Bromley Y

Since the onset of the pandemic, we have seen a significant increase in the amount of children and young people who are reluctant to attend school. This has a massive impact on family life, creating tension at home.

This remote session is suitable for parents/carers of children and teens who are showing initial signs of school avoidance or whose attendance has started to be affected.
